## Welcome to Eastham

*Whether it's sunbathing on one of our many beaches, a hike on the Fort Hill Trail, biking on the National Seashore Bicycle Trails, or trying your hand at windsurfing on one of our ponds, you'll discover the beauty and charm that is Eastham.*

*Henry Beston wrote in his book THE OUTERMOST HOUSE, "Touch the earth, love the earth...rest your spirit in her solitary places. For the gifts of life are the earth's and they are given to all, and they are the songs of birds at daybreak, Orion and the Bear, and dawn seen over ocean from the beach."*

*Those of us who make our home in Eastham welcome you and invite you to "rest your spirit in her solitary places."*

*At the Gateway to the National Seashore, Eastham is beautiful any time, but especially so off season in May and June, again in September and October.*

*See nature in all its beauty. Travel the highways and byways when there is room to breathe.*

*For the birders, for the bicyclists, the photographers, and the nature lovers, off season is the time to come to Eastham. For golfers, the nearby courses are not crowded. Tennis players can play without waiting hours for a court. And, best of all, in most places off season rates prevail.*

## A VISIT TO GIGI POTTERY

If you turn off the road on Route 6, North Eastham, at the red and yellow Pottery sign, and drive down Gigi Lane for about 100 yards, you will be richly rewarded for your adventurous spirit. You will find yourself at Gigi Pottery where you are warmly welcomed by artist-potter Bernie Epstein, who is also part philosopher, teacher, chemist, geologist, and friend. Bernie will invite you to look around, touch, and ask questions. Time appears to stand still as Epstein quietly and determinedly plies his millennium-old craft in a carefree ambience of clay, utensils, pots, and glazes.

On a recent visit to Gigi Pottery, Bernie was found carefully carving imported bamboo handles for a freshly fired tea pot. Within a few minutes a car with four children and two adults drove up to the workshop. As soon as Epstein saw the children, his eyes lit up, the pottery wheel began to spin, and a lump of clay almost magically became a graceful vase as the children watched spellbound.

A look around the pottery shop reveals a charming variety of pottery - all shapes, sizes, colors, and prices. Casseroles, mugs, honey jars, pie plates, chowder bowls, goblets, pitchers, planters, mirrors, clocks, candelabras, and sculptures artfully line the shelves, walls, and entrance way of Gigi Pottery.

Epstein explained that all of his pottery is made of either stoneware or porcelain. Porcelain is a pure white clay that has not been mixed with minerals, whereas stoneware is a variety of clay and minerals.

Epstein is especially proud of his "Chinese red" glazes for which he is well known off Cape Cod as well as on Cape.

As Epstein was explaining how he combines Nauset Beach sand and decomposed granite with his clay to obtain special effects, another car pulled up and a young couple greeted Bernie with a warm, "Hello, we have come back to see your watercolors." They walked out of the shop with their purchases of a painting and mugs, and a farewell greeting of, "See you again next year - we wouldn't leave the Cape without a visit to Gigi Pottery."

## **Please. No tears.**

Newcomers sometimes cry when they visit us - they've shopped to the wall elsewhere, and here the Beautiful Things begin! American and continental art glass, Mary Hadley Pottery, a collector's showing of Russian lacquer boxes, Scottish neckwear tartans, a museum shop of jewelry, and the largest selection of kaleidoscopes at retail in the U.S.A., all shoulder to shoulder with Tree's mind opening ceramic tile display. And whether a bronze cheese prong (\$2.50) or an heirloom quality Swiss music box (up to \$2400) nothing is "resort priced," no gifte shoppe stuffe. Please, no tears - just visit Tree's Place first.

Tree's main showroom is at the junction of Routes 6A and 28, about midway between Hyannis and Provincetown. Take Route 6 and, at the Orleans Rotary, turn toward Orleans about 2 mile.

## Bayside LOBSTER HUTT

Commercial Street, Wellfleet, Cape Cod

On the road to Wellfleet Harbor in an  
old white shingled oyster shack, a daily  
lobster orgy takes place, amidst tanks  
marked 'see 'em swim.' Devoted  
patrons, who are convinced the best  
lobster feast is eaten in the rough, help  
themselves to seafood cooked clam-  
bake style.

In addition to lobsters there are also  
steamers, corn on the cob and other  
fresh seafood dinners and daily specials  
baked, fried and broiled. There is also  
a Salad Bar-Raw Bar and "we make our  
own chowder." The restaurant operates  
self-service and is strictly informal.  
There is no liquor license, but you are  
invited to bring your favorite beer or  
wine.

The 'Lobster Hutt' is a local Wellfleet  
institution, popular because the seafood  
is fresh from the cape waters and the  
prices are always reasonable.

## "SEE 'EM SWIM"

## Eastham Non-Resident Taxpayers Association

### COMMON BOND

We are a group of people who found the town of Eastham to be an excellent environment for our summer vacations. Now almost all of us have part-time homes here. We come with our families and friends to relax and enjoy the beauty of the surf, the ponds, the beaches and the sun. Many of us dream of a time when we can stay right on after the summer ends and never go back to that busy mainland. This would permit even more enjoyment of the many available town and church sponsored activities. We are rightfully interested in conservation, preservation, and proper utilization of the area along with Town Planning, the efficiency of the Police and Fire Departments, the condition of the beaches, the water supply and the many facets of town government that affect us directly.

### PURPOSE

Our primary objective is to work toward the betterment of the Town of Eastham. Our organization also serves in many instances as a liaison between town officials and non-resident taxpayers. We send out newsletters and hold two meetings during the summer to discuss our views with representatives of the Selectmen, Town Counsel or Finance Committee, National Seashore or a State Legislator. They are not obligated to come to our meetings, but they do so. They listen, explain, and answer questions. All members have an opportunity to participate.

### ACTIVITIES

Through questionnaires we poll the opinions of members. The Executive Board coordinates the requests for remedial action when required. We are making a sustained effort to allow non-resident taxpayers to vote in Eastham town affairs other than elected officials through submission of bills in the Massachusetts Legislature. If you are a property owner who pays taxes in Eastham, but is not allowed the right to vote here on town budget items, you will undoubtedly be interested in joining our association that now includes approximately half of all the non-resident property owners from 25 states, including Hawaii and Alaska, plus Quebec and Montreal.

### UNITING FOR STRENGTH

If you are not a member, why not join us? The more members we have, the greater our influence. We hope to enlist the entire group of more than 2,000 non-resident taxpayers in Eastham who together contribute some 70% of the town's tax revenue.

### ADDRESS

If you are interested, write to Box 772,  
Eastham, MA 02642

DUES: \$5.00
